I. OFFICIAL INVITATION

Prague International Canoe Marathon

2022

international
canoe
federation

Prague, the capital of the Czech Republic and one of the most beautiful historical cities in Europe and the World, invites you to a traditional race on the Vltava River, which will be the part of the ICF Marathon World Cup this year together with the ICF World Ranking SUP Race.

From 27. Until May 28, a kayak, canoe and paddleboard race will take place at a joint top world event under the wings of the International Canoe Federation with the patronage of the Czech Canoe Union.

We are looking forward to top race of the best international competitors from junior, senior to master categories and we are also planning a race program for amateur paddlers.

The Žluté Lázně area, the top Prague event venue, provides perfect facilities and top support service for the competitors and spectators that we are expecting too!

The race will take place on the Vltava River, with the beautiful views to the historical center of the city of Prague with comfortable public transport connection to the venue.

We look forward to seeing you and your performances with a paddle in your hand!

Good luck to the paddle sport!

II. GENERAL INFORMATION

1. City introduction

Prague is the capital city of the Czech Republic and the center of politics, international relations, education, culture and the economy of the country. It is the seat of the supreme legislative, administrative and political bodies of the state.

Prague is rightly considered one of the most beautiful cities in the world. Visitors from all over the world come here to admire not only its history and diverse architecture, but also to enjoy the friendly and romantic atmosphere. Prague is also a city dedicated to art, which you will encounter everywhere you go. It's a city of gardens and parks and, last but not least, a city with a great culinary scene and the best beer in the world.

The Vltava River flows through Prague with a total length of 31 km, its widest point is 330 m, the river has 9 islands.

For travel information about Prague please visit the Official Tourist Website for Prague: www.prague.eu/en

2. Surroundings

Prague is more than just Prague Castle and Charles Bridge. Many neighborhoods beyond the historical center have undergone unprecedented transformations in recent years, including Karlín, Holešovice, Smíchov, Žižkov and specially Podolí where will the event take a part!

If you want to discover new experiences and a sociable community life, then you should make a goal to visit to these neighborhoods.

Detailed information, including practical itineraries, can be found on special page: www.prague.eu/walks

3. Weather

The average minimum temperature (usually the minimum temperature is noted during the night) in Prague in May is 9.8°C. The amount of rain in May is normal with an average of 61mm. It rains on average a total of 9 days. The average maximum daytime temperature lies around 20.0°C.

4. How to get to Prague

You can reach the Czech Republic by every means of transport except ocean liners. Both international buses and convenient trains provide regular connections on many European routes. The airport is ready to handle more than 15 million passengers a year.
